SUBJECT: HOUSING ELEMENT PROGRESS REPORT

The County's Certified Housing Element 2009-2014 includes Implementation Program H-4.a which requires that the County revise the zoning ordinances to mitigate certain governmental constraints. The changes pertain to density bonuses, second unit dwellings, farmworker housing, residential care homes, emergency shelters, transitional and supportive housing, single room occupancy units, definition of a family, and reasonable accommodation. I am happy to report all the necessary revisions have been made. The County's Title 21 (Non-Coastal) Ordinance has been amended. The Board of Supervisors has adopted a Resolution of Intent to amend Title 20 (Coastal) to incorporate the required changes. Coastal Commission approval of a Local Coastal Program Amendment is required to complete this action. The relevant documents are attached. Please let me know if you have any questions.

**Before the Planning Commission in and for the
County of Monterey, State of California**

Resolution No. 11-019

Resolution of the Monterey County Planning Commission recommending
that the Monterey County Board of Supervisors

- 1). Adopt the Negative Declaration prepared for the Amendment to Title 21 related to implementation of the 2009-2014 Housing Element.
- 2) Adopt an ordinance amending Title 21 (Non-Coastal Zoning) of the Monterey County Code as follows: Chapter 21.06 (Definitions), Chapter 21.10 (High Density Residential Zoning Districts), Chapter 21.12 (Medium Density Residential Zoning Districts), Chapter 21.14 (Low Density Residential Zoning Districts), Chapter 21.16 (Rural Density Residential Zoning Districts), Chapter 21.30 (Farmlands Zoning Districts), Chapter 21.32 (Rural Grazing Zoning Districts), Chapter 21.34 (Permanent Grazing Zoning Districts), Chapter 21.36 (Resource Conservation Zoning Districts), Chapter 21.39 (Community Plan Zoning Districts), Chapter 21.58 (Regulations for Parking), Chapter 21.64 (Special Regulations), Chapter 21.66 (Development Standards) and adding Chapters for Requests for Reasonable Accommodation and Density Bonus and Incentives. (REF100052)
- 3) Direct staff to prepare an ordinance creating a process whereby residential property owners may apply for special accommodations to provide access to people with disabilities.

Proposed amendments to Title 21 (Non-Coastal Zoning) came before the Monterey County Planning Commission at a duly noticed public hearing on May 11, 2011. Having considered all the written and documentary evidence, the administrative record, the staff report, oral testimony and other evidence presented, the Planning Commission forwards the following recommendation to the Board of Supervisors with reference to the following facts:

I. RECITALS:

1. The Monterey County Housing Element 2009-2014 was adopted by the Monterey County Board of Supervisors on June 15, 2010.
2. In a letter dated August 18, 2010 the State of Housing and Community Development determined that the Housing Element 2009-2014 was in full compliance with the State housing element law (Article 10.6 of the Government Code).
3. *Goal H.4* of the 2009-2014 Housing Element was to reduce government constraints to housing production in order to help address housing needs in the County by facilitating the provision of a variety of housing types and lowering development costs. The Housing Element identified the need to amend the current definition of "Family" and to develop new ordinances in the following areas in order to comply with *Goal H.4: Residential Care Facility; Transitional Housing or Transitional Housing Development; Supportive*

Housing; Agricultural Employee Housing Facility; Employee Housing; Single Room Occupancy (SRO) Unit; Homeless Shelters; Accessory Dwelling Units; Reasonable Accommodation; Density Bonuses and Incentives.

4. Not all residences within the County are accessible for persons with disabilities. In situations where Zoning standards pose an obstacle to providing access, provisions should be created which allow a property owner to apply for a permit (other than a variance) to be able to provide accessibility to persons with disabilities.
5. Pursuant to the California Environmental Quality Act (CEQA), the County prepared an Initial Study, Notice of Intent to Adopt a Negative Declaration, and draft Negative Declaration for the Ordinance amendments to Title 21 (Non-Coastal Zoning), pursuant to the implementation of the Monterey County Housing Element 2009-2014. The Initial Study concluded that the adoption of the Ordinance amendments would not have a significant impact on the environment. The Initial Study and draft Negative Declaration were circulated for public review from February 18, 2011 to March 19, 2011. A Comment letter was received from the State of California Department of Transportation. The letter did not request any changes or disagree with the findings of the Negative Declaration.
6. On January 27, 2011, the Monterey County Agricultural Advisory Committee received a presentation on the Preliminary Draft Ordinance Amendments to Title 21 (Non-Coastal Zoning) and recommended approval of the Ordinance to the Monterey County Board of Supervisors.
7. On March 9, 2011, the Housing Advisory Committee (HAC) received a presentation on the Preliminary Draft Ordinance Amendments to Title 21 (Non-Coastal Zoning) and the HAC recommended approval of the Ordinance to the Monterey County Board of Supervisors.
8. On March 9, 2011 and March 30, 2011, the Monterey County Planning Commission received a presentation and conducted a public workshop on the Preliminary Draft Ordinance Amendments for Title 21 (Non-Coastal Zoning).
9. The Draft Ordinance amending Title 21 (Non-Coastal Zoning) has been reviewed for consistency with the goals and policies of the 2010 Monterey County General Plan and the Draft Ordinance is consistent with the 2010 Monterey County General Plan.
10. On April 27, 2011 and May 11, 2011 the Monterey County Planning Commission conducted a public hearing on the draft Negative Declaration and the Draft Ordinance amending Title 21 (Non-Coastal Zoning) in order to implement the 2009-2014 Housing Element, at which all persons were provided the opportunity to appear and be heard. The hearing was duly noticed in the Salinas Californian and the Monterey County Herald at least 10 days prior to the hearing.

II. DECISION:

NOW, THEREFORE, BE IT RESOLVED, that the Planning Commission hereby recommends that the Board of Supervisors

- 1) Adopt the Negative Declaration prepared for the Amendment to Title 21 related to implementation of the 2009-2014 Housing Element.
- 2) Adopt an ordinance amending Title 21 (Non-Coastal Zoning) of the Monterey County Code as follows: Chapter 21.06 (Definitions), Chapter 21.10 (High Density Residential Zoning Districts), Chapter 21.12 (Medium Density Residential Zoning Districts), Chapter 21.14 (Low Density Residential Zoning Districts), Chapter 21.16 (Rural Density Residential Zoning Districts), Chapter 21.30 (Farmlands Zoning Districts), Chapter 21.32 (Rural Grazing Zoning Districts), Chapter 21.34 (Permanent Grazing Zoning Districts), Chapter 21.36 (Resource Conservation Zoning Districts), Chapter 21.39 (Community Plan Zoning Districts), Chapter 21.58 (Regulations for Parking), Chapter 21.64 (Special Regulations), Chapter 21.66 (Development Standards) and adding Chapters for Requests for Reasonable Accommodation and Density Bonus and Incentives. (REF100052)
- 3) Direct staff to prepare an ordinance creating a process whereby residential property owners may apply for special accommodations to provide access to people with disabilities.

Sections:

- 21.61.010 Purpose.**
- 21.61.020 Applicability.**
- 21.61.030 Appropriate Authority.**
- 21.61.040 Application.**
- 21.61.050 Action by Appropriate Authority.**
- 21.61.060 Revocation.**
- 21.61.070 Effect.**

21.61.010 Purpose.

The purpose of this Chapter is to provide a procedure for the County to modify or waive requirements of this Title in order to provide a reasonable accommodation to individuals with a disability if necessary to eliminate barriers to housing opportunities.

21.61.020 Applicability.

A. The provisions of this Chapter shall apply to all housing types in any zoning district within the unincorporated non-coastal areas of the County.

B. This Chapter is intended to apply to any person who requires a reasonable accommodation because of a disability.

C. A Request for Reasonable Accommodation may include, but is not limited to, a modification or exception to the rules, standards and practices of this Title for the siting, development and use of housing or housing- related facilities that would eliminate regulatory barriers and provide an individual with a disability equal opportunity to housing of his or her choice.

21.61.030 Appropriate Authority.

The Director of Planning is the Appropriate Authority to review and decide on all Requests for Reasonable Accommodation, unless said Request for Reasonable Accommodation is combined with another permit pursuant to Chapter 21.76 (Combined Development Permits) of this Title.

21.61.040 Application.

A. A Request for Reasonable Accommodation may be made by any person with a disability, his or her representative, or any entity such as a developer or provider of housing for individuals with disabilities, when the application of this Title acts as a barrier to fair housing opportunities.

B. A Request for a Reasonable Accommodation shall be made in writing on a form prescribed by the Director of Planning and filed with the Director of Planning and shall contain the following information:

1. Name, mailing address, contact information of individual(s) requesting Reasonable Accommodation;
2. Name, mailing address, contact information of property owner;

7. Reason that the requested Reasonable Accommodation is necessary for the individual(s) with the disability to use and enjoy the dwelling.

8. Any such additional information as the Director of Planning may request consistent with fair housing laws to evaluate the Request for Reasonable Accommodation.

21.61.050 Action by Appropriate Authority.

A. A decision by the Appropriate Authority for a Reasonable Accommodation, not combined with another permit pursuant to Chapter 21.76 (Combined Development Permits) of this Title, shall be rendered in writing within thirty (30) days of the date the application is filed. If necessary to reach a determination on the request for Reasonable Accommodation, the Appropriate Authority may request further information from the applicant consistent with fair housing laws, specifying in detail the information that is required. In the event that a request for additional information is made, the thirty (30) day period to issue a decision is stopped until the applicant provides the information requested.

B. A decision by the Appropriate Authority for a Reasonable Accommodation combined with another permit pursuant to Chapter 21.76 (Combined Development Permits) shall have the same timeline for a decision rendered by the Appropriate Authority as that of the concurrent discretionary permit.

C. The Appropriate Authority in its consideration of a request for Reasonable Accommodation may grant, deny, or modify, in whole or in part, said accommodation, subject to making the following findings based on substantial evidence:

1. The housing, which is the subject of the Request for Reasonable Accommodation, will be used by an individual(s) with a disability protected under fair housing laws;
2. The requested accommodation is necessary to make housing available to an individual with a disability protected under the fair housing laws;
3. The requested accommodation would not impose an undue financial or administrative burden on the County;
4. The requested accommodation would not require a fundamental alteration in the nature of the County's land use and zoning;
5. The Reasonable Accommodation would not negatively impact property;
6. Alternative accommodations which may provide an equivalent level of benefit do not exist.

D. If granted, the Reasonable Accommodation shall run with the land, unless the Appropriate Authority determines at the time of granting that Reasonable Accommodation that the accommodation should be of a temporary nature and requires that it be removed at a specified time or event.

E. In granting a request for Reasonable Accommodation, the Appropriate Authority may impose any conditions of approval which he or she determines are reasonable and necessary to make the findings required by Section 21.61.050.C.

F. Notwithstanding Section 21.84.120, if there is an outstanding violation of this Title involving the property upon which there is a pending Request for Reasonable Accommodation, the County may issue a Reasonable Accommodation, not associated with a discretionary permit, if necessary to provide an individual with a disability fair housing opportunities in compliance with this Section and provided that the existing violation does not pose a risk to health and safety. The granting of the Reasonable Accommodation does not preclude the County from pursuing resolution of the violation, including code enforcement action.

G. An appeal to the Board of Supervisors from the action of the Appropriate Authority, may be taken by the applicant if the Request for Reasonable Accommodation was not combined with another permit. If the Request for Reasonable Accommodation was combined with another permit pursuant to Chapter 21.76 (Combined Development Permit), then an appeal may be taken pursuant to the requirements for appeals of actions on Combined Development Permits.

21.61.060 Revocation.

A. Where one or more of the conditions of a Reasonable Accommodation have not been, or are not being complied with, or when a Reasonable Accommodation was granted on the basis of false material information, written or oral, given willfully or negligently by the applicant, the Appropriate Authority may revoke or modify the Reasonable Accommodation following public hearing pursuant to Chapter 21.78 of this Title.

B. An appeal may be taken from such revocation or modification pursuant to Chapter 21.80.

21.71.070 Effect.

Resolution Amending Land Use Plans

ATTACHMENT 1
DRAFT AMENDMENTS TO BIG SUR, CARMEL AREA,
AND DEL MONTE FOREST LAND USE PLANS
(proposed amendments shown in strikethrough and underline)

Amendments to Big Sur Coast Land Use Plan

1. The second paragraph of Section 5.1.2 is amended to read as follows:

A serious housing shortage exists for employees in Big Sur, particularly in the visitor industry. Because there is little housing available, employees have at times been forced to camp-out, live in cars, or move in with friends. The shortage of affordable housing has also made recruitment of skilled employees difficult. Several factors affect solutions to the housing problems: the costs of land and housing precludes the use of traditional housing assistance programs; and year-round employment is not at a high enough level to support traditional single and multiple family housing projects. Employee housing provided by an employer must be a primary source of affordable housing in the area. ~~Caretaker housing~~Accessory dwelling unit housing, which has traditionally provided shelter from many long-time residents and employees, will also continue to be an important element of the affordable housing supply.

2. Table 1: Land Use and Development Intensity and Buildout is amended to change the term "Caretakers units" to "Accessory Dwelling Units."

3. The first paragraph of Section 5.3.3 is amended to read as follows:

5.3.3 Summary of Development Potential

The plan permits development on existing vacant or partially developed parcels based on conformance to the standards of the plan. It is estimated that there are 800 such parcels and that approximately 100 new parcels could be created through subdivision. The plan also permits up to 50 ~~caretakers houses~~accessory dwelling units. Expansion of lodging facilities in the Big Sur Valley, Lucia, Pacific Valley and Gorda is possible to some extent. Up to 50 hostel units can be constructed. Employee housing may also be constructed to serve commercial visitor-serving facilities and State and Forest Service facilities. The inn unit density standards are expected to hold inn development to less than 300 new units.

4. Subsection c of subsection 2 of subsection I of section 5.4.3 is amended to read as follows:

- c) Encourage the use of ~~caretaker's accommodations~~accessory dwelling units as an appropriate means of providing affordable housing for caretakers, ranch hands, convalescent help, and domestic employees. ~~Applicants for detached caretakers' residences shall demonstrate a need for the unit as part of the development review process. Detached caretaker's accessory dwelling units residences shall not exceed 850-1,200 square feet in size. Subdivisions shall not be permitted to divide a principal residence from an caretaker's accessory dwelling unit residence. Only~~

one caretaker's ~~accessory dwelling unit~~ shall be allowed on the parcel. All such units shall be considered as part of the residential buildout allowed by this plan.

A total of 50 such units may be allowed in the area of the Big Sur Land Use Plan.

Amendments to the Carmel Area Land Use Plan

1. Subsection c of subsection 2 of subsection H of section 4.4.3 is amended to read as follows:

- c) Encourage the use of caretaker's ~~accommodations~~ accessory dwelling units as an appropriate means of providing affordable housing for caretakers, ranch hands, convalescent help, and domestic employees. It is preferred that these accommodations be attached to the principal residence. Detached caretaker's ~~houses~~ accessory dwelling units shall not exceed ~~850-~~ 1,200 square feet in size and shall be limited to parcels of 40 acres or greater. Subdivisions shall not be permitted to divide a principal residence from an ~~caretaker's house~~ accessory dwelling unit. Additional employee housing is permitted for priority uses (i.e. ranching) in one dormitory/bunkhouse or in temporary structures (i.e., mobile homes) consistent with all other plan policies. Only one ~~caretakers' accessory dwelling unit~~ shall be allowed on a parcel.

Amendments to Del Monte Forest Area Land Use Plan

1. Policy 78a is amended to read as follows:

- 78a. Encourage the use of caretakers' ~~accommodations~~ accessory dwelling units as an appropriate means of providing affordable housing for caretakers, ranch hands, convalescent help, and domestic employees. ~~Applicants for detached caretakers' residences shall demonstrate a need for the unit as part of the development review process. Detached caretakers' residences~~ accessory dwelling units shall not exceed ~~850-~~ 1,200 square feet in size. Subdivisions shall not be permitted to divide a principle residence from an ~~accessory dwelling unit caretakers' residence~~. Only one ~~caretakers' accessory dwelling unit~~ shall be allowed on the parcel.

AND DEL MONTE FOREST LAND USE PLANS

2. The discussion under the heading "Residential Land Use" in Chapter 3 is amended to read as follows:

Residential Land Use

New residential land uses planned for the Del Monte Forest Area range in average density from one to four dwelling units per gross acre. For convenience of designation, they are described in terms of low density (maximum of 1 du/acre), and medium density (maximum of 4 du/acre). Most of the existing and new residential development areas within the Forest fall within the low or medium categories.

~~Caretakers units, servants quarters, and other separate houses, but not senior citizen units, Accessory dwelling units~~ are considered units of residential development for the purpose of calculating density buildout. The County shall not approve such units in excess of the density buildout allocated by this plan for each the Del Monte Forest Land Use planning area.

SECTION 38. Chapter 20.61 is added to the Monterey County Code to read as follows:

Chapter 20.61
REQUESTS FOR REASONABLE ACCOMMODATION

Sections:

20.61.010	Purpose.
20.61.020	Applicability.
20.61.030	Appropriate Authority.
20.61.040	Application.
20.61.050	Action by Appropriate Authority.
20.61.060	Revocation.
20.61.070	Effect.

20.61.010 Purpose.

The purpose of this Chapter is to provide a procedure for the County to modify or waive requirements of this Title in order to provide a Reasonable Accommodation to individuals with a disability if necessary to eliminate barriers to housing opportunities.

20.61.020 Applicability.

A. The provisions of this Chapter shall apply to all housing types in any zoning district within the unincorporated coastal areas of the County.

B. This Chapter is intended to apply to any person who requires a reasonable accommodation because of a disability.

C. A request for Reasonable Accommodation may include, but it is not limited to, a modification or exception to the rules, standards and practices of this Title for the siting, development and use of housing or housing-related facilities that would eliminate regulatory barriers and provide an individual with a disability equal opportunity to housing of his or her choice.

20.61.030 Appropriate Authority.

The Director of Planning is the Appropriate Authority to review and decide on all Requests for Reasonable Accommodation, unless said Reasonable Accommodation application is combined with another permit pursuant to Chapter 20.82 (Combined Development Permits) of this Title.

20.61.040 Application.

A. A request for Reasonable Accommodation may be made by any person with a disability, his or her representative, or any entity such as a developer or provider of housing for individuals with disabilities, when the application of this Title acts as a barrier to fair housing opportunities.

B. A Request for a Reasonable Accommodation shall be made in writing on a form prescribed by the Director of Planning and filed with the Director of Planning and shall contain the following information:

1. Name, mailing address, contact information of individual(s) requesting Reasonable Accommodation;
2. Name, Mailing Address, Contact Information of property owner;
3. Physical address and Assessor's Parcel Number of the property for which the Reasonable Accommodation is requested;
4. The current actual use of the property;
5. A statement setting forth the basis for the request, including verifiable third-party documentation of disability status.
6. The zoning code regulation from which Reasonable Accommodation is being requested;
7. Reason that the requested Reasonable Accommodation is necessary for the individual(s) with the disability to use and enjoy the dwelling; and
8. Any such additional information as the Director of Planning may request consistent with fair housing laws to evaluate the request for Reasonable Accommodation.

20.61.050 Action by Appropriate Authority.

A. A decision by the Appropriate Authority for a Reasonable Accommodation, not combined with another permit pursuant to Chapter 20.82 (Combined Development Permits) of this Title, shall be rendered in writing within thirty (30) days of the date the application is filed. If necessary to reach a determination on the request for Reasonable Accommodation, the Appropriate Authority may request further information from the applicant consistent with fair housing laws, specifying in detail the information that is required. In the event that a request for additional information is made, the thirty (30) day period to issue a decision is stopped until the applicant provides the information requested.

B. A decision by the Appropriate Authority for a Reasonable Accommodation combined with another permit pursuant to Chapter 20.82 (Combined Development Permits) shall have the same timeline for a decision rendered by the Appropriate Authority as that of the concurrent discretionary permit.

C. The Appropriate Authority in its consideration of a request for Reasonable Accommodation may grant, deny, or modify, in whole or in part, said accommodation, subject to making the following findings based on substantial evidence:

1. The housing, which is the subject of the request for Reasonable Accommodation, will be used by an individual(s) with a disability protected under fair housing laws;
2. The requested accommodation is necessary to make housing available to an individual with a disability protected under the fair housing laws;
3. The requested accommodation would not impose an undue financial or administrative burden on the County;
4. The requested accommodation is the minimum necessary to address the circumstances;
5. The Reasonable Accommodation would not negatively impact property;
6. Alternative accommodations which may provide an equivalent level of benefit do not exist.

D. If granted, the Reasonable Accommodation shall run with the land, unless the Appropriate Authority determines at the time of granting the Reasonable Accommodation that the accommodation should be of a temporary nature and requires that it be removed at a specified time or event.

E. In granting a request for Reasonable Accommodation, the Appropriate Authority may impose any conditions of approval which he or she determines are necessary to make the findings required by Section 20.61.050.C.

F. Notwithstanding Section 20.90.120, if there is an outstanding violation of this Title involving the property upon which there is a pending Request for Reasonable Accommodation, the County may issue a Reasonable Accommodation, not associated with a discretionary permit, if necessary to provide an individual with a disability fair housing opportunities in compliance with this Section and provided that the existing violation does not pose a risk to health and safety. The granting of the Reasonable Accommodation does not preclude the County from pursuing resolution of the violation, including code enforcement action.

G. An appeal to the Board of Supervisors from the action of the Appropriate Authority may be taken by the applicant if the request for Reasonable Accommodation was not combined with another permit. If the Request for Reasonable Accommodation was combined

with another permit pursuant to Chapter 20.82 (Combined Development Permit), then an appeal may be taken pursuant to the requirements for appeals of actions on Combined Development Permits.

20.61.060 Revocation.

A. Where one or more of the conditions of a Reasonable Accommodation have not been, or are not being complied with, or when a Reasonable Accommodation was granted on the basis of false material information, written or oral, given willfully or negligently by the applicant, the Appropriate Authority may revoke or modify the Reasonable Accommodation following public hearing pursuant to Chapter 20.84 of this Title.

B. An appeal may be taken from such revocation or modification pursuant to Chapter 20.86.

20.61.070 Effect.

No building permit shall be issued nor any structure constructed otherwise than in accordance with the conditions and terms of the Reasonable Accommodation granted, nor until ten days after the mailing of notice of granting of such Reasonable Accommodation by the Appropriate Authority, or by the Appeal Authority in the event of an appeal.

SECTION 39. Section 20.64.010 of the Monterey County Code is repealed.

SECTION 40. Section 20.64.030 of the Monterey County Code is amended to read as follows:

20.64.030 REGULATIONS FOR CARETAKER UNITS. REGULATIONS FOR ACCESSORY DWELLING UNITS.

A. Purpose: The purpose of this Section is to establish the regulations, standards and circumstances under which an Accessory-d Dwelling uUnit, accessory to the main residence on a lot may, be permitted. established for the purpose of providing continuous on-site care for persons and property.

B. Applicability: The provisions of this Section are applicable in all zoning districts which allow single-family residences the HDR, MDR, LDR, RDR, and WSC zoning districts.

C. Permit Requirement: Accessory Dwelling Units shall require a Coastal Administrative Permit, or Coastal Development Permit if applicable, in all cases due to significant water, sewer, habitat, visual, and traffic resource constraints that exist within the Monterey County Coastal Zone. A public hearing shall not be required to consider a Coastal Administrative Permit for an Accessory Dwelling Unit. In non-residential zoning districts such as the Watershed and Scenic Conservation Zoning District, Accessory Dwelling Units shall require a Coastal Development Permit.

D. Accessory Dwelling Units Prohibited in certain areas: Accessory Dwelling Units would pose a hazard to public health, safety and welfare in certain unincorporated coastal areas of the County because of known infrastructure and resource limitations. These infrastructure limitations are recognized in the Land Use Plans for the North County, Big Sur, Carmel Area, and Del Monte Forest (See North County Land Use Plan Section 4.2, Big Sur Land Use Plan Section 5.2, Carmel Area Land Use Plan Section 4.2, and Del Monte Forest Land Use Plan Chapter Three-- Introduction), and zoning restrictions (B-8 overlay). The County acknowledges

prohibiting Accessory Dwelling Units in these areas may limit the housing opportunities of the region; however, specific adverse impacts on the public health, safety and welfare that would result from allowing Accessory Dwelling Units in these areas justify these limitations.

Accessory Dwelling Units will not be permitted in the following areas:

1. In any zoning district combined with a B-8 zoning overlay.
2. In the North County Land Use Plan area outside of the area of benefit of the Salinas Valley Water Project (Zone 2C).

4. In the Carmel Area Land Use Plan area, on lots less than 40 acres in area.
5. In the Big Sur Coast Land Use Plan area, no Accessory Dwelling Units beyond the first 50 (including previously permitted caretaker units) approved in the Plan area from the time of certification of the Big Sur Coast Land Use Plan. GE. Regulations: Caretaker Accessory Dwelling Units may be allowed subject to a Coastal Administrative Permit or Coastal Development Permit if applicable in designated districts and subject in all cases to the following regulations:

1. Only one caretaker Accessory Dwelling unit per lot shall be allowed.
2. Accessory Dwelling Units shall not be permitted prior to a main residence and shall be located on the same lot as the main residence. Accessory Dwelling Units must provide complete independent living facilities for one or more persons and shall contain permanent provisions for living, sleeping, eating, cooking, and sanitation. An Accessory Dwelling Unit may be rented. The caretaker shall be employed principally on the lot for purposes of care and protection of persons, plants, animals, equipment, or other facilities on-site or on contiguous lots under the same ownership.

3. The minimum lot size for establishment of an Accessory Dwelling Unit shall be as follows:

a. In areas not served by public sewers shall be two acres, except in North County, within zone 2C, where the minimum lot size shall be five acres in areas not served by public sewer systems.

b. In the Big Sur Coast Land Use Plan area, the minimum lot size shall be two acres

c. In the Carmel Area Land Use Plan area, the minimum lot size shall be forty acres. The minimum lot size for establishment of a caretaker unit in areas not served by public sewers shall be two acres. The minimum lot size for establishment of a caretaker unit in the Carmel Planning Area shall be 40 acres.

4. Accessory dwelling units are subject to the build out limitations established by each Land Use Plan but are not subject to density requirements of the zoning district in which a lot is located. Caretaker units shall not be subject to density requirements of the zoning district in which the lot is located, except in North County. In North County, caretaker units shall not be permitted on lots less than 5 acres if located in an area not served by public sewer systems.

5. The maximum floor area for an caretaker Accessory Dwelling unit is 850 1,200 square feet.

6. Parking for accessory dwelling units shall be consistent with the Parking Regulations of this Title (Chapter 20.58). ~~A minimum of 1 covered off street parking space shall be provided for the caretaker unit.~~

7. Within the applicable areas, units permitted as a Senior Citizen unit or a Caretaker unit prior to adoption of these regulations for Accessory Dwelling Units shall be considered an Accessory Dwelling Unit for the purposes of this section. ~~The caretaker unit shall not be separately rented let, or leased to other than the caretaker whether compensation be direct or indirect.~~

8. Accessory Dwelling Units shall conform to all of the zoning and development standards (lot coverage, height, setbacks, design, etc.) of the zoning district which governs the lot. An Accessory Dwelling Unit attached to the principal residence shall be subject to the height, setback and coverage regulations of the principal residence. An Accessory Dwelling Unit detached from the principal dwelling shall be treated as a habitable accessory structure in regard to height, and setbacks. ~~Subsequent subdivisions which divide a main residence from a caretaker unit shall not be permitted except where lots created meet minimum lot size and density requirements of the existing zoning.~~

9. Accessory Dwelling Units shall be designed in such a manner as to be visually consistent and compatible with the principal residence on-site and other residences in the area. ~~Caretaker units are not permitted on any lot less than 10 acres where a senior citizen unit exists. Senior citizen units may be converted to a caretaker unit, subject to a Coastal Administrative Permit.~~

10. Accessory Dwelling Units are subject to review and approval by the Director of Environmental Health to ensure adequate sewage disposal and water supply facilities exist or are readily available to serve the unit. ~~The applicant shall record a deed restriction as a condition of project approval, stating that the caretaker unit shall not be rented to other than the caretaker.~~

11. Accessory Dwelling Units are subject to all the resource protection policies of the applicable Land Use Plan and shall not be permitted to substantially degrade resources at the site or in the area. Some of the resources constraints that may preclude development of an Accessory Dwelling Unit include but are not limited to:

- a. Areas containing environmentally sensitive habitat.
- b. In no case shall Accessory Dwelling Units be permitted within native Cypress habitat (Del Monte Forest).
- c. Areas where the Accessory Dwelling Unit would cause a substantial adverse impact on visual resources.
- d. In no case shall an Accessory Dwelling Unit be permitted with the critical viewshed (Big Sur);
- e. Areas determined to have a critically short water supply.
- f. Forest health and tree resources;
- g. Hazards including slopes, beach and bluff erosion, fire, traffic and other health and safety conditions;
- h. Potential impacts to historic and archaeological resources; and
- i. Conflicts with public access.

DE. In order to grant the Coastal Administrative Permit or Coastal Development Permit the Appropriate Authority shall make the following findings.

1. That the establishment of the caretaker Accessory Dwelling unit will not, under the circumstances of the particular application, be detrimental to the health, safety, peace,

morals, comfort and general welfare of persons residing or working in the neighborhood or to the general welfare of the County; and

2. That the proposed caretaker ~~Accessory Dwelling Unit~~ Unit complies with all of the applicable requirements of Section 20.64.030(C) of this Title. The Accessory Dwelling Unit as conditioned, is consistent with the applicable plans and policies which designate this area as appropriate for development.

3. That the subject property upon which the caretaker ~~Accessory Dwelling Unit~~ Unit is to be built is in compliance with all rules and regulations pertaining to zoning uses, subdivisions and any other applicable provisions of this Title and that all zoning violation abatement costs, if any, have been paid.

4. The site is physically suitable for the use proposed. ~~That adequate sewage disposal and water supply facilities exist or are readily available, as approved by the Director of Environmental Health.~~

EG. Any caretaker ~~Accessory Dwelling Unit~~ Unit proposal which does not comply with the provisions of this Section with regard to size, height, or setbacks shall require a Variance, pursuant to Chapter 20.78. The Zoning Administrator shall be the Appropriate Authority to consider said permits.

F. There shall be a maximum of 50 Caretaker Units approved in the Big Sur Planning Area from the time of certification of the Big Sur Coast Land Use Plan (April 9, 1986).

G. Caretaker Units shall not be allowed on parcels under 40 acres in the Carmel Planning Area and shall not count towards maximum density.

H. Caretaker Units shall count towards density in the North County Planning Area.

I. Caretaker Units shall be subject to the overall buildout in Del Monte Forest as defined by Table A in the Del Monte Forest Land Use Plan.

1. The Child Care Facility shall remain in operation for a period of time that is as long as or longer than the period of time during which the affordable units are required to remain affordable pursuant to the terms of the Density Bonus Housing Agreement required by Section 20.65.120 of this Chapter.

A. When an applicant for a tentative subdivision map, parcel map or other residential development donates land to the County, the applicant shall be entitled to a Density Bonus above the Maximum Allowable Residential Density, up to a maximum of thirty five (35) percent depending on the amount of land donated. 2. The developable acreage and zoning classification of the land being transferred are sufficient to permit construction of units affordable to Very Low Income households in the amount not less than 10% of the residential units in the proposed development.

3. The transferred land is at least one acre in size or of sufficient size to permit development of at least 40 units, has the appropriate Land Use Plan/General Plan designation, is appropriately zoned for development as affordable housing, and is, or will be, served by adequate public facilities and infrastructure. The transferred land shall have appropriate zoning and development standards to make the development of the affordable units feasible. No later than the date of approval of the final subdivision map, parcel map, or of the residential development, the transferred land shall have all of the permits and approvals, other than building permits, necessary for the development of the Very Low Income Units on the transferred land, except that the County may subject the proposed development to subsequent design review if the design is not reviewed by the County prior to the time of transfer.

4. The transferred land and the units constructed on said land shall be subject to a deed restriction ensuring continued affordability of the units for a period of at least 30 years and subject to restrictions consistent with California Government Code Section 65915 (c)(1) and (2), as may be periodically amended.

A. All residential development shall comply with the Inclusionary Housing Ordinance contained in Chapter 18.40 of the Monterey County Code, and nothing in this Chapter relieves an applicant from complying with the Inclusionary Housing Ordinance. The County's granting of a Density Bonus by itself does not satisfy the applicant's responsibility to comply with the Inclusionary Housing Ordinance.

B. The total number of Inclusionary Units is calculated based upon the total number of units within the Housing Development (Base Units plus Density Bonus). The number of Qualifying Units used to determine eligibility for Density Bonus is based upon the number of Base Units.

20.65.120 Qualifying Units – Agreement Required.

A. Qualifying units may be used to satisfy the Inclusionary Housing requirements of Chapter 18.40 of the Monterey County Code. If Qualifying Units are applied to the Inclusionary Housing requirements, those units will be subject to the affordability provisions of the Inclusionary Housing Ordinance. The applicant will be required to enter into an Inclusionary Housing Developer Agreement governing these units pursuant to the County's Inclusionary Housing Ordinance.

B. All Qualifying Units not included within the Inclusionary Housing Developer Agreement shall be subject to the following provisions:

4. Location and Type of Qualifying Units.

a. Location/Dispersal of Units. Qualifying units shall be comparable in number of bedrooms, exterior appearance and overall quality of construction to the market rate units within the Housing Development. The Qualifying Units shall be considered as part of the Housing

Development for which the Density Bonus is being considered. To the greatest extent feasible, the Qualifying Units shall be located throughout the Housing Development that also includes market rate units. Qualifying Units may be clustered or located off-site subject to the approval of the Appropriate Authority, if such clustering or off-site location furthers affordable housing opportunities.

b. Phasing. If a project is to be phased, the Qualifying Units shall be phased in the same proportion as the market rate units or phased in another sequence acceptable to the County. The Qualifying Units shall be constructed concurrently with or prior to construction of the market rate units.

c. Exterior Appearance. The exterior appearance and quality of the Qualifying Units shall generally be similar to the market rate units, with exterior materials and improvements similar to and architecturally compatible with the market rate units in the development.
